Franklin R. Cox has sold his farm covering the territory from Massachuof 119 acres on the Rockville-Norbeck setts to Virginia, including Georgetown

So runs the story till we arrive at the great day of American postal history Goddard's was a private service, operated in opposition to the still existing British service. Goddard had declared his desire to have the Continental Con cress assume charge and adminster this service for all the people. The Continental Congress took the mat-

ter up and appointed a committee com-posed of Mr. Franklin, Mr. Lynch, Mr. Lee, Mr. Willing, Mr. Adams and Mr. P. Livingston who brought in their report July 25, 1775. The report was taken up and considered the next day, July 26, 1775, when it was resolved, That a Postmaster General be appointed for the United Colones \* \* salary of \$1.000 per annum \* \* \* that a line of post be appointed from Falmouth in New England to Savannah in Georgia \* \* \* that postage rates shall be 20 per centum less than those appointed by parliament."

The record of the Continental Congress on that day, postal independence day,

the British from this very post, was placed in charge of a constitutional American post office for the United Colonies almost one year before the Dec-
